Industrial Development Agencies (“IDAs”) are formed under Article 18-A of New York State General Municipal Law, as public benefit corporations. IDAs were created to actively promote, encourage, attract and develop job and recreational opportunities and economically-sound commerce and industry in cities, towns, villages and counties throughout New York State. IDAs are empowered to provide financial assistance to private entities through tax incentives in order to promote the economic welfare, prosperity and recreational opportunities for residents of a municipality.

III. **MISSION STATEMENT:**

“The IDA’s mission is to create and promote economic growth and prosperity for both residents and entrepreneurs in Fulton County. The IDA’s role in Fulton County’s Economic Development Program is to develop and maintain an inventory of shovel-ready sites for new and expanding businesses, offer financial incentives, as may be required, to encourage the creation of new and retention of existing jobs and expand the County’s tax base. In doing so, the IDA strives to make Fulton County a desirable place to live and do business.”

This revised Mission Statement was adopted on August 23, 2012. The Authority Budget Office (ABO) notified the IDA in 2012 that its original Mission Statement was not acceptable. As a result, the IDA Board adopted this revised Mission Statement which was accepted by the ABO.
